Week 13 was a week to forget for many fantasy owners,nfl throwback jersey,wholesale football jerseys, thanks to under-performing stars and the failure of some to take advantage of promising matchups. For example,nfl online store, the Chiefs' Dwayne Bowe managed zero receptions, the Titans' Chris Johnson had his second lackluster performance in a row and the Rams' Sam Bradford had one of his worst games of the season against a very favorable matchup with the Arizona Cardinals. This was, of course,nfl saints jersey, bad timing for many owners looking to sneak into the fantasy postseason. As frustrating as Week 13 was, Week 14 offers new hope for all who were fortunate enough to survive.

INDIANAPOLIS -- A year ago when these two teams played in the AFC Championship Game,make your own football jersey, the Colts trailed 17-6 early and 17-13 at the half.

They made killer halftime adjustments and ran away after halftime, 30-17.

This time around, while the Jets defense has played well through 30 minutes with one notable exception,youth nhl hockey jerseys, the offense has not found a big enough play. Mark Sanchez handed away a field-goal chance at the end of the half with a bad interception to Justin Tryon.

And so the Colts are ahead 7-0 at the half.

If they win the adjustment battle again,nfl jersey history, they're going to be in good shape at Lucas Oil Stadium.

Sanchez has been off on his two best chances -- Santonio Holmes beat Cornelius Brown off the line but Sanchez waited too long and then overthrew him in the first quarter. On a rollout right in the second quarter Dustin Keller was open by a bit up the right side and he overthrew there.

They strung together a nice long drive at the end with 13 plays and a penalty,create your own nfl jersey, and got nothing to show for it.

If the Colts can manage to only give up the likes of 24- and 15-yard passes up the middle to Holmes and Braylon Edwards in front of people,design your own nfl jersey, they've got to like their chances.

It's only a one-score lead,shop nfl jerseys,penn state football jersey, obviously.

But it's the Jets turn to make the big adjustments.

Favorable/Unfavorable Matchups RB

Anquan Boldin (BAL) vs. Houston

Boldin finally came back to life in Week 13,nfl jerseys, posting his first 100-yard game in eight weeks and the good times should continue to roll as Houston represents the worst pass defense in the league.

Furthermore,cheap nfl jerseys, one of Flacco's favorite red-zone targets, Todd Heap,texas a&m football jersey, will not play.

Michael Crabtree (SF) vs. Seattle

The 49ers are making the switch back to Alex Smith at quarterback and that can go either way for Crabtree.

He was Troy Smith's first look in the passing game,2012 nfl nike jerseys,nfl personalized jersey, but Crabtree's best game of the season came with Smith behind center back in Week 5 against Philadelphia (9 receptions,design a football jersey, 105 yards, 1 TD). Seattle's secondary giv

Larry Fitzgerald (ARI) vs. Denver

Fitzgerald, like Bowe,lsu football jersey, will have a new arm tossing balls his way. John Skelton and Richard Bartel shared practice reps this week with Derek Anderson recovering from a concussion. Fitzgerald has been dealing with poor play from the quarterback position all year,football jersey frames, so this might not hurt him as much as you would think. But Champ Bailey,nhl wholesale jerseys, who is coming off an outstanding game where he limited Bowe,football jersey maker, will cause enough problems.

Favorable

LeGarrette Blount (TB) vs. Washington

Blount wasn't supposed to have such a good outing last week against Atlanta's tough run defense (third-worst matchup),youth football jersey, but congrats to those of you who were brave enough to start him. Most people won't have any problems rolling with him this week as Washington allows the eighth-most fantasy points to the position this season. It also helps that Albert Haynesworth has been suspended for the rest of the season.

Tim Hightower (ARI) vs. Denver

This one requires a lot of prayers to the fantasy gods,university of michigan football jersey, but it appears that Beanie Wells is in trouble again with his head coach. Hightower ran the ball 15 times for 81 yards compared to Wells's 24 yards on three carries in last week's loss to the Rams. If that trend continues,wisconsin badgers football jersey,nike nfl concept uniforms, Hightower could be a serviceable flex option this week for the desperate because Denver gives up the second-most fantasy points to running backs. Also,nike nfl equipment gloves,kids nfl jersey, with a rookie set to start at quarterback, it wouldn't be surprising to see the Cardinals lean on the run to take the pressure off him.

Unfavorable

Brandon Jacobs (NYG) vs. Minnesota

How many healthy starting running backs do you know who only get only two carries in the second half of a game after posting 94 yards and two touchdowns on six carries in the first? While Coach Tom Coughlin claims Jacobs is his starter, the word starter in the Meadowlands clearly means the guy who gets the first carry of the game. Ahmad Bradshaw handled the ball 25 times compared to Jacobs's eight in the Week 13 victory over Washington. Minnesota's run defense is a lot tougher than Washington's,womens football jersey, r

Marshawn Lynch (SEA) vs. San Francisco

The 27 fantasy points he compiled on your bench last week came against Carolina's very weak run defense,new nfl nike jerseys,nike nfl gear, so don't get too excited. It should be back to business as usual as the 49ers generally make it tough on the position, weighing in as the 10th-worst matchup (3.6 yards per

More Ratings and Analysis: Tight Ends | Kickers/Defense

Matt Ryan (ATL) vs. Carolina

With Carolina's 27th-ranked run defense on tap in Week 14,cheap nfl jerseys,ncaa jerseys, you'd expect Atlanta to go with a steady diet of Michael Turner, which would limit Ryan's attempts against the league's eighth-ranked secondary. Ryan also seems more comfortable playing indoors this season,nike nfl uniforms leaked, with five multi-touchdown games out of seven and just one interception under a dome. He had only one multi-touchdown game and has four interceptions in five games out in the wild.

Sam Bradford (STL) vs. New Orleans

He was a big disappointment last week (5 standard fantasy points) in a very favorable meeting with Arizona. Good luck against the worst matchup in the business this week.

Favorable/Unfavorable Fantasy Matchups WR

Dwayne Bowe (KC) vs. San Diego

Redemption for the egg he laid last week might have to wait. Bowe will most likely be catching balls, or trying to catch balls, from Brodie Croyle,osu football jersey, because Matt Cassel is unlikely to play after undergoing an appendectomy. Meanwhile the Chargers are the N.F.L.'s top-ranked secondary and fantasy's second-worst matchup for receivers.

Kyle Orton (DEN) vs. Arizona

There has been some chatter that the Broncos's offense is going to become more run-focused now that Coach Josh McDaniels is gone, and we wouldn't be surprised considering how Knowshon Moreno has been playing. Still,nike nfl gloves, you could do a lot worse than Orton against the Cardinals's 25th-ranked pass defense. While last week's two-point outing was downright brutal, a lot of that can be blamed on the poor conditions. Expect solid numbers in Week 14.

Joe Flacco (BAL) vs. Houston

Last week marked the second time in the last seven weeks that Flacco failed to throw at least two touchdowns in a game. Pittsburgh has a way of doing that to quarterbacks. No team allows more fantasy points to the position than the Texans. Need we say more?

Nike Kyrie 3 TV Commercial, 'Improv' Featuring Kyrie Irving, Questlove - iSpot.tv-- Both NBA basketball player Kyrie Irving and percussionist Questlove conduct an exercise in improv. Dim lights faintly illuminate the court, on which the Roots frontman freestyles on his drumset while Irving scrimmages with himself in tandem with the beat. As the tempo increases, the frequency of the dribbling, shoe squeaks and pivots increases as well. After a short reprieve, the drums kick in more vigorously than ever, and Irving finally makes it to the hoop. He dunks the ball right as Questlove reaches the climax of his own solo.
